**TRUSTEES' REPORT
FOR THE YEAR ENDED 31 AUGUST 2020**

The Trustees present their annual report together with the financial statements and auditors' report of the Charitable Company for the year ended 31 August 2020. The annual report serves the purpose of both a Trustees' report, and a Directors' report under company law.

The Trust operates an Academy for pupils aged 11 to 18 in Chippenham. It has a pupil capacity of 1,795 and had a roll of 1,691 in the January 2020 school census.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Constitution

The Academy Trust is a company limited by guarantee and an exempt charity. The Charitable Company's Memorandum and Articles of Association are the primary governing documents of the Academy Trust.

The Trustees of Sheldon School are also the directors of the Charitable Company for the purposes of company law.

Details of the Trustees who served throughout the year and to the date the accounts are approved are included in the Reference and Administration Details on page 1.

The Members of the Academy Trust are the subscribers to the Trust's Memorandum of Association, and any other individuals permitted to become members under its Articles of Association. The Members of the Academy Trust are the Chair of Governors, Mrs L Carver, and four Members that are independent of the Board of Trustees and Sheldon Charters Board and are not employees of Sheldon School: Ms M Jones, Ms E le Fleming, Mr C Holden and Mr T Jacques. They have an overview of the governance arrangements of the Trust.

Sheldon Charters Board acts as the guardian of the Academy's ethos and values as expressed in the Sheldon Charters. The Charters Board comprises: E I Beange (Teacher member); L A Cadger (Support Staff member – appointed 11 February 2020); N D Cooke (Support Staff member – resigned 11 February 2020); A M Douglas (Teacher member – resigned 31 July 2020); K E M Hathaway (Governor or Community member); J C Hilton (Community member); K M Pearce (Parent Governor member); N C B Spurdell (Headteacher, ex officio); P C T Story (Governor or Community member).

Members' Liability

Each member of the Charitable Company undertakes to contribute to the assets of the Company in the event of it being wound up while he/she is a member, or within one year after he/she ceases to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they cease to be a member.

Trustees' Indemnities

Trustees benefit from indemnity insurance purchased at the Academy Trust's expense to cover the liability of the Trustees which by virtue of any rule of law would otherwise attach to them in respect of any negligence, default or breach of trust or breach of duty of which they may be guilty in relation to the Academy Trust, provided that any such insurance shall not extend to any claim arising from any act or omission which the Trustees knew to be a breach of trust or breach of duty or which was committed by the Trustees in reckless disregard to whether it was a breach of trust or breach of duty or not and provided also that any such insurance shall not extend to the costs of any unsuccessful defence to a criminal prosecution brought against the Trustees in their capacity as Directors of the Academy Trust. The limit of this indemnity is £2,000,000.

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2020**

Method of recruitment and appointment or election of Trustees

The Academy's Board of Trustees comprises the Headteacher, a minimum of 7 Parent Trustees, up to 4 Staff Trustees (providing that the total number of Trustees, including the Headteacher, who are employees of the Academy Trust, does not exceed one third of the total number of Trustees) and up to 7 other Trustees.

The Academy Trust shall have the following Trustees as set out in its Articles of Association and funding agreement:

- up to 1 Local Authority (LA) Trustee who is appointed by Wiltshire County Council or by the Board of Trustees if the LA fails to appoint
- up to 7 Parent Trustees who are elected by parents of registered pupils at the Academy.
- up to 3 Teacher Trustees who are elected by teachers at the Academy.
- up to 1 Support Staff Trustee who is elected by support staff at the Academy.
- up to 6 Community Trustees who are appointed by the Board of Trustees.
- the Headteacher who is treated for all purposes as being an ex officio Trustee.

The Academy can also have Associate Members. Associate Members are appointed by the Governing Body as members of any committee established by them, but are not Trustees.

Trustees are appointed for a four-year period, except that this time limit does not apply to the Headteacher. Subject to remaining eligible to be a particular type of Trustee, any Trustee can be re-appointed or re-elected.

When appointing new Trustees, the Board will give consideration to the skills and experience mix of existing Trustees in order to ensure that the Board has the necessary skills to contribute fully to the Academy's development.

Policies and Procedures adopted for the Induction and Training of Trustees

The Academy has a Trustee Recruitment, Induction and Training policy available from the Clerk to the Governors.

The training and induction provided for new Trustees will depend upon their existing experience but would always include a tour of the Academy and a chance to meet staff and pupils. All Trustees are provided with copies of policies, procedures, minutes, accounts, budgets, plans and other documents that they will need to undertake their role as Trustees. As there are normally only two or three new Trustees a year, induction tends to be done informally and is tailored specifically to the individual. Advantage is taken of specific courses offered by the Local Authority and other bodies.

Organisational Structure

The Board of Trustees normally meets 6 times per year. The Board establishes an overall framework for the governance of the Academy and determines membership, terms of reference and procedures of Committees and other groups. It receives reports including policies from its Committees for ratification. It monitors the activities of the Committees through the minutes of their meetings. The Board may from time to time establish Working Groups to perform specific tasks over a limited timescale.

There are 4 committees as follows:

Finance Committee - this committee meets at least 5 times a year and is responsible for monitoring, evaluating and reviewing policy and performance in relation to financial management, compliance with reporting and regulatory requirements, receiving reports from the external auditors who undertake a programme of additional checks and drafting the annual budget. It also incorporates the role of an audit committee.

Premises Committee – this committee meets at least 4 times a year and is responsible for monitoring evaluating and reviewing policy and performance in relation to the maintenance, development as well as

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2020**

safety and security of the buildings and grounds and data, approval of expenditure for major projects and service contracts, and commercial lettings.

Curriculum Committee this committee meets at least 5 times a year to monitor, evaluate and review policy, practice and performance in relation to curriculum planning and development, target setting and assessment, and examinations.

Staffing, Care & Guidance Committee – this committee meets at least 4 times a year to monitor, evaluate and review policy, practice and performance in relation to all recruitment, personnel and pastoral issues, as well as approval of the staffing levels and promotions within agreed budget limits.

The following decisions are reserved to the Board of Trustees: to consider any proposals for changes to the status or constitution of the Academy and its committee structure, to appoint or remove the Chair and/or Vice Chair, to appoint the Headteacher and Clerk to the Trustees, to approve the School Development Plan and budget.

The Trustees are responsible for setting general policy, adopting an annual plan and budget, approving the statutory accounts, monitoring the use of budgets and other data, and making major decisions about the direction of the Academy, capital expenditure and staff appointments.

The Board of Trustees has devolved responsibility for day to day management of the Academy to the Headteacher and Senior Management Team (SMT). The SMT comprises the Headteacher, the Deputy Headteachers, the Assistant Headteachers and the School Business Manager. The SMT implement the policies laid down by the Trustees and report back to them on performance.

The Academy has a leadership structure which consists of the Trustees, and the Senior Management Team, as well as senior teaching staff including Faculty and Year Heads, and Support Team Leaders. The aim of the leadership structure is to devolve responsibility and encourage involvement in decision making at all levels. Some spending control is devolved to Budget Holders which must be authorised in line with the Scheme of Delegation. The Headteacher is responsible for the appointment of staff, though appointment panels for teaching posts always include a Trustee.

The Headteacher is the Accounting Officer.

Arrangements for setting pay and remuneration of key management personnel

The Trustees consider that the Board of Trustees and the Senior Management Team comprise the key management personnel of the Academy in charge of directing and controlling, running and operating the Trust on a day to day basis. All Trustees give their time freely and no Trustee received remuneration in the year. Details of Trustees' expenses and related party transactions are disclosed in the notes to the accounts. The pay of key management personnel is reviewed annually and normally increased in accordance with the School Teachers' Review Body recommendations.

Trade union facility time

There are two members of staff who were relevant union officials during the period. The Academy also financially contributes to the facilities time costs of regional trade union officials.

The two union officials at the school each spent between 1-50% of their time on trade union duties, which amounts to a total cost of approximately £1,429.

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2020**

Related Parties and other Connected Charities and Organisations

The Academy engages with collaborative work through subject leaders for education, work in primary schools and legacy project work in primary schools.

The Academy also has strong collaborative links with other local networks and organisations, including:

- Feeder primary schools for the provision of extended services.
- The Chippenham AstroTurf Project (CAP) 96 which leases part of the Academy's grounds on which to build and operate an artificial playing surface. There is a shared use agreement between CAP and the Academy. One Trustee, currently P C T Story, is nominated by the Academy to serve as a CAP Trustee.
- The Chippenham Borough Lands Charity which provides grants to assist pupils from low income backgrounds, and to support specific enrichment projects.

The Sheldon School Enrichment Fund is a related party as the Headteacher, Neil Spurdell and Carol Cradock and Kevin Pearce are Trustees of the Academy, and are also Trustees of the Enrichment Fund. In addition, the Academy's finance staff monitor the fund's bank account and generate gift aid claims on its behalf. The Sheldon School Enrichment Fund derives its income from donations by parents, sales by the school of second-hand uniform, and through the easy.fundraising.com website, all of which are used to support specific enrichment activity in school.

Sheldon School Trading Limited started trading in September 2015. It receives all lettings income from external hirers, and Gift Aids profits back to Sheldon School at the end of each financial year.

The Academy continues to share 6th form teaching for some subjects with Hardenhuish School, with Sheldon students attending Hardenhuish for some lessons and vice versa.

There are no related parties which either control or significantly influence the decisions and operations of Sheldon School. There are no sponsors associated with the Academy.

OBJECTIVES AND ACTIVITIES

Objects and Aims

At Sheldon School we aim to get the best for, and from, each child. We intend to enable each child to realise their full academic, creative and physical potential and to develop positive social and moral values. Our Academy is a community in which children, staff and parents should be part of a happy and caring environment.

The aims of the Academy during the year ended 31 August 2020 are summarised below:

- to continue to raise the standard of educational attainment and achievement of all pupils;
- to provide a broad and balanced curriculum, and an extensive range of extracurricular activities;
- to develop students as more effective and independent learners, demonstrating greater resilience;
- to ensure that every child enjoys the same high quality education in terms of resourcing, tuition and care;
- to maximise the number of students who achieve grades 4 and above in their GCSE subjects and maximising the numbers of students securing a strong pass (grade 5+) and a standard pass (grade 4+) in both English and mathematics
- to develop the Academy's buildings and grounds so that they enable students to achieve their full potential;

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2020

- to improve the effectiveness of the Academy by keeping the curriculum and organisational structure under continual review;
- to support the curriculum at feeder primary schools where possible by providing specialist teaching, in languages, the arts and physical education;
- to maintain and develop the ways in which pupils contribute to the whole school and wider communities;
- to maintain and develop the ways in which pupils are encouraged to develop skills and activities that will contribute to future economic well-being and healthier lifestyles;
- to develop the Academy's capacity to manage change and risk, and
- to conduct the Academy's business in accordance with the highest standards of integrity, probity and openness, and improve the School's ability to gain value for money for the funds expended.

Objectives, Strategies and Activities

Key priorities and activities were identified in the School Development Plan and were influenced by the significant challenges and opportunities arising from national changes in education policy and funding. The priorities and activities included the following, but were, in places, hampered by the enforced closure of the Academy to all but keyworkers' children from March 17th 2020:

- Improving pupil progress, especially through value added outcomes at both GCSE and A levels;
- Collaboration and community links, including through our former specialisms in science, sport and languages, as well as through maths and the performing arts, supporting other schools and maintaining links with the community;
- Improving communication through our virtual learning environment and other internal systems;
- Improving access to resources and streamlining administration;
- Promoting positive behaviour for learning, especially through mentoring, the tutorial programme and the pupil voice;
- Efficiency savings with a view to improving sustainability, maintaining cost effective staffing levels, as well as the development and embedding of key financial and administrative procedures;
- Continued improvement to the school environment, especially the learning environment, the maintenance and development of the infrastructure, as well as security and accessibility;
- Developing the curriculum, and in light of Covid-19, developing an online platform for remote learning;
- Improving teaching through continuing professional development focusing on coaching, in-house workshops and the development of online resources. This was then extended to developing practices for remote delivery;
- Undertaking self-evaluation;
- Maintaining the pupil numbers as near to the approved capacity as reasonably feasible.

Public Benefit

The Trustees confirm that they have complied with the duty in Section 17(5) of the Charities Act 2011 to have due regard to the Charity Commission's general guidance on public benefit in exercising their powers or duties. They have referred to this guidance when reviewing the Academy's aims and objectives and in planning its future activities.

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2020**

Sheldon School is a comprehensive school; pupils will be admitted without reference to ability, aptitude or culture. The admissions criteria are applied in the following order: looked after and previously looked after children; siblings of current pupils; children of Sheldon staff; children from the main catchment; children from the secondary catchment; children with medical conditions which can be best met by Sheldon School and then any other children who apply. The main catchment area encompasses the villages and civil parishes around Chippenham, whilst a secondary catchment area includes the civil parishes of Chippenham and Chippenham without.

STRATEGIC REPORT

ACHIEVEMENTS AND PERFORMANCE

The Academy is in its ninth year of operation and until 2017 was regularly over-subscribed. A disappointing number of first preferences for the school for admission in September 2020 has seen just under 260 arrive against a maximum capacity of 280 and is an area that the school is keen to address.

Examination outcomes had remained healthy in both GCSE and A Level with a strong value-added figure of +0.2 for A Level and ALPS figure of 3 placed the Academy comfortably in the top 20% nationally in 2019. Due to the Covid-19 pandemic, the way grades were attributed in 2020 for GCSE and A Level means that it would be inappropriate to comment on school headline figures, but again there was a large number of impressive individual performances. The Academy maintained its record of sending at least one student to an Oxbridge university, with four others achieving straight A* grades in their A Levels. One student achieved a clean sweep of Grade 9s at GCSE with five others securing at least eight grade 9s. The Academy remains committed to building on successes of previous years with aspirational headline figures of 55% A*-B and 80% A*-C at A Level being targeted, and 30% 9-7 at GCSE. In addition to maintaining a high A Level value-added figure, the Academy is also aiming at a Progress 8 figure in excess of 0.2 at GCSE. Closing the gap between the disadvantaged students and other students is also a key focus.

The installation of LED lighting across the whole of the school was completed in October 2019. We have already made significant savings on our electricity consumption as a result, gaining recognition through a 'Green Ambassador' award for the 15% reduction to our carbon emissions, equivalent to 18.5 tonnes of carbon.

A successful Condition Improvement Fund application in December 2019 for £315k enabled us to replace the main sections of the New Block roof which, with a life expectancy of 40 years, should still be in place when Sheldon celebrates its centenary. Further refurbishments and improvements were made to teaching and administration spaces over the summer and comprehensive control measures were introduced to make the whole school site as Covid-19 secure as possible to welcome back students and staff after the summer break.

We continued to invest heavily in our Digital Transformation Strategy – a 3 year IT renewal & investment programme which is being led by our Network Manager. In response to the national lockdown we were able to deploy IT resources and acquire new skills in order to support remote working and teaching and learning. Our new catering and cleaning contractors have worked very hard throughout the year as they initially mobilised and then launched their respective services, and then half-way through responded magnificently to the challenges of the lockdown. Aspens continued to provide a core team to cater for our vulnerable and keyworker pupils while Imperial similarly re-designed their offer to ensure appropriate levels of daily sanitising cleans took place to keep us all safe.

Through our trading subsidiary Sheldon School Trading Limited, we have continued to actively promote the use of our school facilities to the local community. We also manage the Astroturf pitch on behalf of a local organisation, Chippenham Astroturf Project 96. As a consequence, we are pleased that our school facilities are being regularly used for a diverse range of activities. These all came to a premature end unfortunately as a result of the national lockdown, but we were able to partially re-open to some of our hirers in July 2020, and by the end of August 2020 the majority of our regular users had returned.

Going Concern

After making appropriate enquiries, the Board of Trustees has a reasonable expectation that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

FINANCIAL REVIEW

Over 90% of the Academy's income is obtained from the DfE via the ESFA in the form of recurrent grants, the use of which is restricted to particular purposes. The grants received from the DfE during the year ended 31 August 2020 and the associated expenditure are shown as Restricted Funds in the Statement of Financial Activities.

Other significant sources of income during the year include grants from the Local Authority to meet the additional costs of teaching students with additional needs, and income generated by the school by hiring out its facilities through its subsidiary trading company. The restricted Fixed Asset Fund balance is reduced by annual depreciation charges over the useful life of the assets concerned, as defined in the Academy's accounting policies.

During the year ended 31 August 2020, the Academy received total income of £9,867,040 and incurred total expenditure of £10,262,666. The excess of expenditure over income for the year was £395,626.

At 31 August 2020 the net book value of fixed assets was £22,180,002 and movements in tangible fixed assets are shown in note 14 to the financial statements. The assets were primarily used for providing education and the associated support services to the pupils of the Academy. The Academy continues to look at ways to improve its income from its commercial letting activity and to take every opportunity to make bids for capital and smaller grants as they become available. Plans to identify future infrastructure improvement and maintenance needs are well developed and regularly monitored by Trustees, with professional expertise sought as appropriate. At the end of the period the Academy was in a strong financial position with good levels of reserves going forward.

The Trustees recognise that the defined benefit scheme deficit (Local Government Pension Scheme), which is set out in note 27 to the financial statements, represents a significant potential liability. However, as the Trustees consider that the Academy is able to meet its known annual contribution commitments for the foreseeable future, the risk from this liability is currently manageable.

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2020**

The Academy has taken on the deficit in the Local Government Pension Scheme in respect of its non-teaching staff transferred on conversion. The deficit is incorporated within the Statement of Financial Activity with details in Note 27 to the financial statements.

Reserves Policy

The Trustees review the current and projected reserve levels of the Academy annually. Any surplus achieved at the end of the financial year will be transferred to reserves and will form part of the review. The review encompasses the nature of income and expenditure streams, the need to match income with commitments and the nature of reserves. The Trustees also take into consideration the future plans of the Academy, the uncertainty over future income streams and other key risks identified during the review. The Trustees have determined that the appropriate level of free reserves should be no less than £700,000 and have earmarked a further £100,000 as a contingency figure. The reason for this is to provide sufficient working capital to cover delays between spending and receipt of grants and to provide a cushion to deal with unexpected emergencies such as urgent maintenance. The Academy's current level of reserves (total funds less the amount held in fixed assets and restricted pension fund) is £838,154, all of which are free reserves (unrestricted funds not invested in fixed assets and unspent GAG). This is the value that the Trustees monitor in accordance with the reserves policy and represents approximately 1 month of normal recurring expenditure.

The Trustees have reviewed the future plans of the Academy and plan to use some of the excess of reserves over £700,000 for further site improvements, investment in IT and to manage current funding uncertainty and rising costs. Key priorities for the next 12 months include replacing the Fire Alarm system and continuing with the 2018-21 Digital Transformation Strategy.

The defined benefit pension scheme reserve has a negative balance. The effect of the deficit position of the pension scheme is that the Academy is paying higher employers' pension contributions over a period of years. The higher employers' pension contributions are met from the Academy's budgeted annual income. Whilst the deficit will not be immediately eliminated, there should be no actual cash flow deficit on the fund, nor any direct impact on the free reserves of the Academy.

Investment Policy

Trustees are committed to ensuring that all funds under their control are managed in such a way as to maximise return whilst minimising risk. All funds surplus to immediate requirements are invested to optimal effect. Where cash flow allows, sums in excess of £100,000 may be invested on deposit for extended periods of up to 12 months. Due to the nature of funding, the Academy may at times hold cash balances surplus to its short-term requirements. The Trustees have also authorised the opening of additional short-term bank investment accounts to take advantage of higher interest rates. No other form of investment is authorised. Day to day management of the surplus funds is delegated to the Headteacher and the School Business Manager.

PRINCIPAL RISKS AND UNCERTAINTIES

The Senior Management Team and Trustees regularly review the Risk Register, and receive regular reports from the School Business Manager on the actions being taken to manage the risks identified to acceptable levels. The principal risks and uncertainties facing the Academy are as follows:

Financial - the Academy has considerable reliance on continued Government funding through the ESFA. In the year ended 31 August 2020 95% of the Academy's incoming resources were ultimately Government funded and whilst this level is expected to continue, there is no assurance that Government or Local Government policy or practice will remain the same or that public funding will continue at the same levels or on the same terms.

**SHELDON SCHOOL
(A COMPANY LIMITED BY GUARANTEE)**

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2020**

Failures in governance and/or management - the risk in this area arises from potential failure to effectively manage the Academy's finances, internal controls, compliance with regulations and legislation, statutory returns, etc. The Trustees continue to review and ensure that appropriate measures are in place to mitigate these risks. This includes ensuring that there are sufficient Trustees with appropriate skills on the Finance Committee.

Reputational - the ongoing success of the Academy is dependent on continuing to attract applications for student places in sufficient numbers by maintaining the highest academic and pastoral provision. To mitigate this risk, the Trustees ensure that student success and achievement are closely monitored, reviewed, and publicised.

Safeguarding and child protection - the Trustees continue to ensure that the highest standards are maintained in the areas of selection and monitoring of staff, the operation of child protection policies and procedures, as well as health & safety and discipline.

Staffing - the success of the Academy is reliant on the quality and retention of its staff and so the Trustees monitor and review policies and procedures to ensure continued development and training of staff as well as ensuring there is clear succession planning.

Fraud and mismanagement of funds - In line with the requirement in the Academies Financial Handbook, a Trustee has been appointed to independently ensure that a programme of checks on financial systems and records is carried out through the School's appointed external auditors. Internal Assurance checks are made twice a year and reports from these visits are provided to the appointed Trustee who in turn updates the Board of Trustees. Finance staff receive training to keep them up to date with financial practice requirements and proper levels of separation of duties is maintained.

Financial and risk management objectives and policies

The Trustees have assessed the major risks to which the Academy is exposed, in particular those relating to its finances, teaching, facilities and other operational areas. The Trustees are satisfied that systems and procedures are robust and actions in place to mitigate exposure to major risks, including appropriate insurance cover. However, in order to further improve and mitigate risk, the Academy employs a Health & Safety advisor to audit systems and procedures as well as to help assess business and reputational risks and to assist with the implementation of risk management strategies.

During 2020/21, the Academy will continue to scrutinise all aspects of its budget to identify opportunities to deliver its service in a more cost effective manner. The Trustees examine the Academy's financial health formally every term, reviewing performance against budgets and overall expenditure by means of regular update reports at all Finance Committee meetings. The School Business Manager also regularly reviews cash flow forecasts to ensure sufficient funds are held to cover all known and anticipated commitments and includes these in monthly management reports for review by the Chair of Governors in line with Academies Financial Handbook requirements. At the year end, the Academy had no significant liabilities arising from creditors or debtors where there would be a significant effect on liquidity.

FUNDRAISING

In addition to the widespread commitment that Sheldon has to its charity work, during 2019/20, there was a concerted effort in raising monies towards specific school projects. Local businesses have contributed financially and the Academy supplemented this by raising money through a quiz held in February 2020. Due care and attention has been paid to rules and regulations in raising funds through raffle prizes, and expenditure on publicity has been limited to existing school communication channels and free coverage by the local press.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2020

PLANS FOR FUTURE PERIODS

The Academy will continue to strive to provide outstanding education and improve the levels of performance of its pupils at all levels, and will continue to aim to attract high quality staff in order to deliver its objectives.

Within the increasingly challenging annual financial limits brought about by reduced levels of funding, the Academy is pushing forward on developments both inside and outside the classroom in order to maximise the academic outcomes of all of its pupils. The Academy was delighted with Ofsted's recognition in June 2017 that it places academic excellence as well as the emotional wellbeing of its pupils (and staff) at its heart. This remains our combined shared priority for all students at the school.

The Academy has created a targeted school development plan, taking it to 2021, as well as continuing to aim to attract high quality teachers and support staff in order to deliver its objectives. The Academy will continue to identify opportunities to bid for capital grants from Government and non-Government sources to part fund its site development plans.

FUNDS HELD AS CUSTODIAN TRUSTEE ON BEHALF OF OTHERS

The Academy holds the balance of a small fund in a discrete cost centre which is used to support SEN Training for the benefit of schools in North Wiltshire.

AUDITOR

In so far as the Trustees are aware:

- there is no relevant audit information of which the Charitable Company's auditor is unaware; and
- the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

The auditors, Bishop Fleming LLP, are willing to continue in office and a resolution to appoint them will be proposed at the annual general meeting.

GOVERNANCE STATEMENT

SCOPE OF RESPONSIBILITY

As Trustees we acknowledge we have overall responsibility for ensuring that Sheldon School has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The Board of Trustees has delegated the day-to-day responsibility to the Headteacher, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Sheldon School and the Secretary of State for Education. They are also responsible for reporting to the Board of Trustees any material weaknesses or breakdowns in internal control.

GOVERNANCE

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities. The Board of Trustees has formally met five times during the year, as one meeting was cancelled due to the Coronavirus lockdown.

Attendance during the year at meetings of the Board of Trustees was as follows:

GOVERNANCE STATEMENT (CONTINUED)

GOVERNANCE (continued)

The scope of work undertaken by the Board of Trustees in the past year has included:

- Staffing
- Curriculum
- Premises
- Finance
- Audit and Internal Assurance
- Risk
- Change to Sheldon Constitution and Charters
- Action relating to Coronavirus and school closure
- Appointment of a Wellbeing governor
- School Development Plan
- Safeguarding
- Special Educational Needs
- Health and Safety
- Funding
- Admissions
- Examination results
- Pupil Premium
- Marketing and fundraising
- General Data Protections (GDPR)
- Annual report from the Board of Trustees to the Sheldon Charters Board
- Enrichment Fund

The Trustees carried out skills audits for individual Trustees, committees and the Board of Trustees. The audits showed there was good coverage of the skills needed.

The Chair of Governors commenced the National Governance Association's Leading Governance programme. Data is extensively used in each of the committees, particularly in Curriculum. This is interrogated at each meeting with a focus on the different pupil groups and checked again post-results. Finance data is rigorously checked, which has resulted in a healthy financial position at the end of each academic year.

Within Premises, energy data and other relevant costs are widely discussed to ensure good value for money within the services procured. Presentations are also made to the Board of Trustees on exam results and the Sheldon Charters Board also requires data to be included as part of the Trustees' annual written report.

The Finance and Audit Committee is a sub-committee of the main Board of Trustees. Its purpose is to ensure that the standards of financial control and administration are adhered to, make financial plans including agreeing the draft budget, and monitor the progress of income and expenditure. It oversees the process of financial reporting including receiving accounts prepared by external auditors, appoints internal auditors, sets priorities for internal audit and monitors action against audit reports.

Attendance at Finance and Audit committee meetings in the year was as follows:

GOVERNANCE STATEMENT (CONTINUED)

GOVERNANCE (continued)

Review of value for money

As Accounting Officer, the Headteacher has responsibility for ensuring that the Academy delivers good value in the use of public resources. The Accounting Officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The Accounting Officer considers how the Academy's use of its resources has provided good value for money during each academic year, and reports to the Board of Trustees where value for money can be improved, including the use of benchmarking data where appropriate. The Accounting Officer for the Academy has delivered improved value for money during the year by:

- Delivering positive educational outcomes for our students
- Collaborating with a neighbouring school to provide a broad and balanced Post 16 offer
- Working together with schools in the North Wiltshire Federation
- Employing and sharing PE teachers to support the Chippenham Sports Partnership
- Generating additional income by hiring out school facilities outside of normal school hours
- Making comparisons with similar Academies using data provided by the ESFA and the auditors
- Applying for external grants to improve the school's environments
- Requiring suppliers to compete on grounds of cost, quality and suitability of services
- Utilising budgeting and monitoring systems to regularly report to the Senior Management Team and Governors
- Adopting clearly defined schemes of delegation, purchasing and tender guidelines
- Maintaining and updating an academy risk register
- Seeking advice from suitably qualified professionals to assist in decision-making

The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can, therefore, only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of Academy policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Sheldon School for the period from 1 September 2019 to 31 August 2020 and up to the date of approval of the annual report and financial statements.

Capacity to handle risk

The Board of Trustees has reviewed the key risks to which the Academy is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Board of Trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the Academy Trust's significant risks that have been in place for the period from 1 September 2019 to 31 August 2020 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the Board of Trustees.

The risk and control framework

The Academy's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- Comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Board of Trustees
- Regular reviews by the Finance and Audit Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes
- Setting targets to measure financial and other performance

GOVERNANCE STATEMENT (CONTINUED)

The risk and control framework (continued)

- Clearly defined purchasing (asset purchase or capital investment) guidelines
- Identification and management of risks

Bishop Fleming LLP completed additional checks during the year 2020, with scope of the work and the work programme agreed before the new standards came into force. Advantage was therefore taken of the transitional arrangements to complete the assignment.

The internal assurance role includes giving advice on financial matters and performing a range of checks on the Academy's financial systems. In particular the checks carried out in the current period included:

- Testing of payroll systems
- Testing of purchase systems
- Testing of control account/bank account reconciliations
- Fixed assets
- IT procedures
- Accounting systems

Twice a year the auditor reports to the Board of Trustees, through a nominated Trustee who is independent of the Finance Committee on the operation of the systems of control and on the discharge of the Board of Trustees' financial responsibilities.

Despite the challenges of lockdown, remote assurance visits have taken place as planned and no significant issues have been reported to the Board of Trustees.

In line with the requirements of the Academies Financial Handbook, for 2021 the Trust will look to engage a new partner to undertake this work.

Review of effectiveness

As Accounting Officer, the Headteacher has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the external auditor;
- the work of the executive managers within the Academy who have responsibility for the development and maintenance of the internal control framework.

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the Finance Committee. They have also advised of a plan to address weaknesses and ensure continuous improvement of the system is in place.

STATEMENT ON REGULARITY, PROPRIETY AND COMPLIANCE

As Accounting Officer of Sheldon School, I have considered my responsibility to notify the Academy Board of Trustees and the Education Funding Agency of material irregularity, impropriety and non-compliance with ESFA terms and conditions of funding, under the funding agreement in place between the Academy Trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2019.

I confirm that I and the Academy Board of Trustees are able to identify any material irregular or improper use of all funds by the Academy, or material non-compliance with the terms and conditions of funding under the Academy's funding agreement and the Academies Financial Handbook 2019.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the Board of Trustees and ESFA.

**STATEMENT OF TRUSTEES' RESPONSIBILITIES
FOR THE YEAR ENDED 31 AUGUST 2020**

The Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with the Academies Accounts Direction published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Group and the charitable company and of their incoming resources and application of resources, including their income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2019 and the Academies Accounts Direction 2019 to 2020;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the group will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Group and the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the Group and the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Group and the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in their conduct and operation the Group and the charitable company apply financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the group's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

**INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF
SHELDON SCHOOL**

OPINION

We have audited the financial statements of Sheldon School (the 'parent Academy') and its subsidiaries (the 'Group') for the year ended 31 August 2020 which comprise the Consolidated statement of financial activities, the Consolidated balance sheet, the Academy balance sheet, the Consolidated statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities SORP 2019 and the Academies Accounts Direction 2019 to 2020 issued by the Education and Skills Funding Agency.

In our opinion the financial statements:

- give a true and fair view of the state of the Group's and of the parent Academy's affairs as at 31 August 2020 and of the Group's incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2019 and the Academies Accounts Direction 2019 to 2020 issued by the Education and Skills Funding Agency.

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

CONCLUSIONS RELATING TO GOING CONCERN

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Group's or the parent Academy's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

OTHER INFORMATION

The Trustees are responsible for the other information. The other information comprises the information included in the Annual report, other than the financial statements and our Auditors' report thereon. Other information includes the Reference and administrative details, the Trustees' report including the Strategic report, and the Governance statement. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

OPINION ON OTHER MATTERS PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' report including the Strategic report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Trustees' report and the Strategic report have been prepared in accordance with applicable legal requirements.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

In the light of our knowledge and understanding of the Group and the parent Academy and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' report including the Strategic report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- the parent Academy has not kept adequate accounting records, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent Academy financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

RESPONSIBILITIES OF TRUSTEES

As explained more fully in the Trustees' responsibilities statement, the Trustees (who are also the directors of the Academy for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Group's and the parent Academy's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Group or the parent Academy or to cease operations, or have no realistic alternative but to do so.

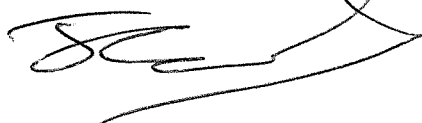

AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' report.

USE OF OUR REPORT

This report is made solely to the Academy's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Academy's members those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Academy and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO SHELDON SCHOOL AND THE EDUCATION & SKILLS FUNDING AGENCY

In accordance with the terms of our engagement letter dated 28 February 2019 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2019 to 2020, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Sheldon School during the year 1 September 2019 to 31 August 2020 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Sheldon School and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Sheldon School and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Sheldon School and ESFA, for our work, for this report, or for the conclusion we have formed.

RESPECTIVE RESPONSIBILITIES OF SHELDON SCHOOL'S ACCOUNTING OFFICER AND THE REPORTING ACCOUNTANT

The accounting officer is responsible, under the requirements of Sheldon School's funding agreement with the Secretary of State for Education dated 28 March 2011 and the Academies Financial Handbook, extant from 1 September 2019, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2019 to 2020. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2019 to 31 August 2020 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

APPROACH

We conducted our engagement in accordance with the Academies Accounts Direction 2019 to 2020 issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Academy's income and expenditure.

Our work on regularity included a review of the internal control policies and procedures that have been implemented and an assessment of their design and effectiveness to understand how the Academy complied with the framework of authorities. We also reviewed the reports commissioned by the trustees to assess the internal controls throughout the year.

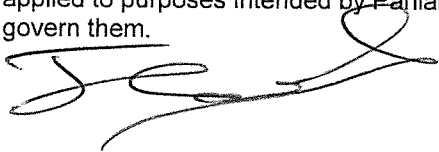

We performed detailed testing based on our assessment of the risk of material irregularity, impropriety and non-compliance. This work was integrated with our audit on the financial statements where appropriate and included analytical review and detailed substantive testing of transactions.

CONCLUSION

In the course of our work, nothing has come to our attention which suggest in all material respects the expenditure disbursed and income received during the year 1 September 2019 to 31 August 2020 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2020**

1. GENERAL INFORMATION

Sheldon School is a company limited by guarantee, incorporated in England and Wales. The registered office is Hardenhuish Lane, Chippenham, Wiltshire, SN14 6HJ.

2. ACCOUNTING POLICIES

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

2.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements of the Group, which is a public benefit entity under FRS 102, have been prepared under the historic cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2019 to 2020 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

The Consolidated statement of financial activities (SOFA) and Consolidated balance sheet consolidate the financial statements of the Academy and its subsidiary undertaking. The results of the subsidiary are consolidated on a line by line basis.

The Academy has taken advantage of the exemption allowed under section 408 of the Companies Act 2006 and has not presented its own Statement of financial activities in these financial statements.

2.2 GOING CONCERN

The Trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Academy to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the Academy has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Academy's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2020

2. ACCOUNTING POLICIES (continued)

2.3 INCOME

All incoming resources are recognised when the Group has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

• **Grants**

Grants are included in the Consolidated Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Consolidated Statement of Financial Activities in the year for which it is receivable and any abatement in respect of the year is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the Balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

• **Donations**

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

2.4 EXPENDITURE

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

• **Expenditure on raising funds**

This includes all expenditure incurred by the Group to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

• **Charitable activities**

These are costs incurred on the Group's educational operations, including support costs and costs relating to the governance of the Group apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

2.5 INTEREST RECEIVABLE

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Group; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

FOR THE YEAR ENDED 31 AUGUST 2020

2. ACCOUNTING POLICIES (continued)

2.6 TAXATION

The Academy is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Accordingly, the Academy is potentially exempt from taxation in respect of income or capital gains received within categories covered by Part 11, chapter 3 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

2.7 TANGIBLE FIXED ASSETS

Assets costing £3,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Consolidated statement of financial activities and carried forward in the Balance sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Consolidated statement of financial activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land and assets under construction, at rates calculated to write off the cost of each asset on a basis over its expected useful life, as follows:

Depreciation is provided on the following bases:

Freehold property	- Straight line over 50 years
Furniture and fixtures	- 20% straight line
Plant and equipment	- 25% reducing balance
Computer equipment	- 33% straight line

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Consolidated Statement of Financial Activities.

2.8 INVESTMENTS

Investments in subsidiaries are valued at cost less provision for impairment.

2.9 STOCKS

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

2.10 DEBTORS

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2020**

2. ACCOUNTING POLICIES (continued)

2.11 CASH AT BANK AND IN HAND

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.12 LIABILITIES

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Group anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

2.13 OPERATING LEASES

Rentals paid under operating leases are charged to the Consolidated Statement of Financial Activities on a straight line basis over the lease term.

2.14 PENSIONS

Retirement benefits to employees of the Group are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Group in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the Group in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Consolidated statement of financial activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2020**

2. ACCOUNTING POLICIES (continued)

2.15 AGENCY ARRANGEMENTS

The Academy acts as an agent in distributing 16 - 19 bursary funds from ESFA. Payments received from ESFA and subsequent disbursements to students are excluded from the Statement of Financial Activities as the Academy does not have control over the charitable application of the funds. The Academy can use up to 5% of the allocation towards its own administration costs and this is recognised in the Statement of Financial Activities. The funds received, paid and any balances held at period end are disclosed in Note 31.

2.16 FUND ACCOUNTING

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Group at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

3. CRITICAL ACCOUNTING ESTIMATES AND AREAS OF JUDGEMENT

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The Academy makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 27, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2016 has been used by the actuary in valuing the pensions liability at 31 August 2020. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

The specific purposes for which the funds are to be applied are as follows:

RESTRICTED FUNDS

The General Annual Grant (GAG) represents funding received from the Education and Skills Funding Agency (ESFA) during the period in order to fund the continuing activities of the school. During the year, £24,978 was transferred to the restricted fixed asset fund to represent fixed assets purchased from GAG.

High Needs funding, which includes Named Pupil Allowance and YPSS funding, is paid by the Local Authority to cater for pupils with learning difficulties and other disabilities.

Donations represent amounts raised through fundraising for specific purposes and various small restricted donations which have all been spent during the period.

Pupil premium funding represents amounts received from the ESFA to cater for disadvantaged pupils.

Other LA funding represents amounts received from Wiltshire Council and other Local Authorities in respect of Pupil Premium for Looked After Children.

Y7 Literacy and Numeracy Catch Up represents funding to support year 7 pupils that did not achieve level 4 in reading or mathematics at Key Stage 2.

Other ESFA income represents amounts received from the ESFA to cover increases in Teachers' Pay and Teachers' Pensions.

The pension reserve represents the Local Government Pension Scheme deficit.

27. PENSION COMMITMENTS

The Academy's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff, and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Wiltshire County Council. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2016 and of the LGPS 31 March 2016.

Contributions amounting to £152,518 were payable to the schemes at 31 August 2020 (2019 - £94,092) and are included within creditors.

Teachers' Pension Scheme

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies. All teachers have the option to opt-out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary - these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% administration levy)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million, giving a notional past service deficit of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI, assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2023.

The employer's pension costs paid to TPS in the year amounted to £1,075,327 (2019 - £731,460).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (<https://www.teacherspensions.co.uk/news/employers/2019/04/teachers-pensions-valuation-report.aspx>).

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The Group has accounted for its contributions to the scheme as if it were a defined contribution scheme. The Group has set out above the information available on the scheme.

27. PENSION COMMITMENTS (continued)

Local Government Pension Scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2020 was £342,000 (2019 - £345,000), of which employer's contributions totalled £274,000 (2019 - £278,000) and employees' contributions totalled £ 68,000 (2019 - £67,000). The agreed contribution rates for future years are 24.9 per cent for employers and 5.5 - 12.5 per cent for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

30. RELATED PARTY TRANSACTIONS

Owing to the nature of the Academy and the composition of the Board of Trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the trustees have an interest. All transactions involving such organisations are conducted in accordance with the requirements of the Academies Financial Handbook, including notifying the ESFA of all transactions made on or after 1 April 2019 and obtaining their approval where required, and with the Academy's financial regulations and normal procurement procedures relating to connected and related party transactions.

P C T Story, a Trustee, has been nominated by the Academy to take the Academy's seat as a Trustee of the Chippenham AstroTurf Project - known as CAP96. CAP96 leases land from the Academy on a 50 year lease for a peppercorn rent, on which it has built an AstroTurf pitch for use by local community groups. The Academy benefits by being able to use the AstroTurf pitch for free during normal school hours. In addition, the school manages all bookings for CAP96 and provides staff to unlock and lock the facility during evenings and weekends, for which an annual management charge is payable by CAP96 to Sheldon School. This charge is reviewed annually by the School Business Manager and is designed simply to cover the staffing costs associated within this provision. P C T Story withdraws from all discussion at CAP96 meetings relating to this arrangement.
