January 2024,

Dear Parents,

Since your child did not have the benefit of a day's visit with their primary class, we have arranged an 'opt in' taster day when he/she will have the opportunity to join with other children in a similar situation. They will experience a normal timetabled day and get a feel of what it is like to be a secondary pupil, in particular what it is like at Sheldon. Pupils find these days extremely enjoyable and confidence building.

The day will include lessons in different faculty areas including, performing and expressive arts, PE, science, Spanish and design technology.

The children will need to bring the following items with them:

- Their school PE kit
- A pen or pencil
- **School lunch will be free for all pupils**, or they may bring their own packed lunch. Pupils will also be provided with a choice of snacks at break time.

If you wish your child to attend one of these days, please complete and return the attached form.

Yours faithfully,

Bridget Collins
Primary Liaison
