

Sixth Form Weekly Notes – Mon 8th Jan 2024

Week 2

Key messages (inc. community, wellbeing etc):

New study time arrangements

Thank you for a great start to the year. It was great to see so many of you in the Study Room and Common Room last week. A few questions have come up and we will review the new arrangements after a couple of weeks to see if we need to tweak anything but in the meantime here are some FAQs and clarifications:

Q - If I usually have home study lessons 1+2 on a Friday do I need to come in for am tutor time?

A – Yes. We need to keep some regular contact with tutors and Fri am and Weds pm are the compulsory slots for this. We will review after two full weeks.

Q – If I have been in for Fri tutor time and lessons 1+2 but there is no Personal Development Curriculum (PDC) being delivered during lessons 3+4, can I go home then?

A – Yes you can and because you have been in tutor time and lessons 1+2 you will need to sign out.

Q – If I choose to come I during my study time do I need to sign in?

A – Yes.

We are trusting you with more freedom and independence, please use it well.

Please can tutors advertise this opportunity for an evening trip to the Bristol old Vic to see Metamorphosis.

Great production! Letter on Parent Pay for all year 9 and exam groups in Year 10,11,12,13.

Work experience, employment and apprenticeship opportunities / information:

Katie Witchell– our Careers Adviser is available to you all. You can email her directly at kwitchell@sheldonschool.co.uk to make an appointment or you can drop-in to the Careers Hub near the hall on Thursday or Friday lunch times.

What is LMI? Why is it important and where can find it?

LMI is Labour Market Information. It is useful and important because it tells you what jobs are available, which are on the increase/decrease, what the pay is like etc. You can find LMI in the Careers Newsletter that comes out every week or so. You can also find it on every careers page in the Careers Library on Unifrog.

Business apprenticeships at EY

EY are open for applications to their 2024 apprenticeship opportunities! Do you know a young person who is ready to kick-start their career? Are they curious, analytical and could help businesses solve complex problems? An EY apprenticeship could be for them!

Who are EY?

EY is a professional services organisation that helps companies make better business, finance, and technology decisions. They're a group of over 365,000 talented people spanning the globe in more than 150 countries.

What is an apprenticeship at EY?

Joining in either Assurance, Strategy and Transactions or Tax at EY, our apprenticeships are a great way to get on-the-job experience and develop skills for life. By the end of the four-year paid programme, they'll have gained an industry-recognised qualification, a host of transferable skills, lots of practical experience and a network of coaches and mentors to help them continue to progress within EY.

Why choose an EY Business Apprenticeship?

Across four years they will:

- Get to know EY's clients, their businesses, and how they work
- Deliver real client work and solve complex problems
- Work with colleagues nationally and internationally
- Work towards a Level 7 Apprenticeship qualification in Accountancy and Taxation
- Do the same qualifications as EY graduates. They could even progress faster than any university-going peers.

EY give their apprentices the knowledge, skills, and opportunity to progress their careers while receiving dedicated support every step of the way.

For more insight into life at EY, why not find or ask a question to EY's current employees? If they're ready to dive into their next chapter discover how you can support them with EY's top tips in the Career Heights zone of EY's Adventure Awaits platform and help them apply today!

[Warwick Pre-University Summer School 2024](#)

Tuesday 16 July – Friday 26 July

Choose between: [A Taste of Economics and Finance](#), [A Taste of Science and Engineering](#) OR [A Taste of Social Sciences](#)

Unforgettable and inspirational summer experience for enthusiastic and motivated 16-17 year-old students at the world-leading University of Warwick, UK.

The University of Warwick is a top Russell Group University widely recognised as a world leader in research and education.

We are delighted to offer this opportunity for students to study at the University of Warwick for an exciting **ten-night, fully-inclusive residential** [Summer School](#).

Students will be able to experience:

- Engaging with like-minded peers from around the world
- A taste of University life and undergraduate teaching from top Warwick faculty
- Outstanding guest speakers
- Personal effectiveness training, including leadership and communication skills
- Preparing for University in the UK
- Living on the beautiful and self-contained Warwick campus
- Visiting some of the most iconic places in the UK, including London and Oxford

All students will receive a certificate of attendance from the University of Warwick.

[Social Programme](#)

The programme includes a number of social events including a welcome event, team building experience, e-sports, a karaoke and disco night and a tenpin bowling. Day trips include the historic and beautiful town of Oxford and the capital, London. In London, there will be a full sight-seeing programme including the Houses of Parliament, London Eye and a West End Show. In addition, there is a programme of ambassador led activities including numerous sports, quizzes and film nights.

[Accommodation and Catering](#)

Whilst at Warwick, all students will be accommodated on campus in our halls of residence, Sherbourne Halls in en-suite single study bedrooms for 10 nights. All breakfasts and evening meals are included.

[Admissions](#)

Entry criteria

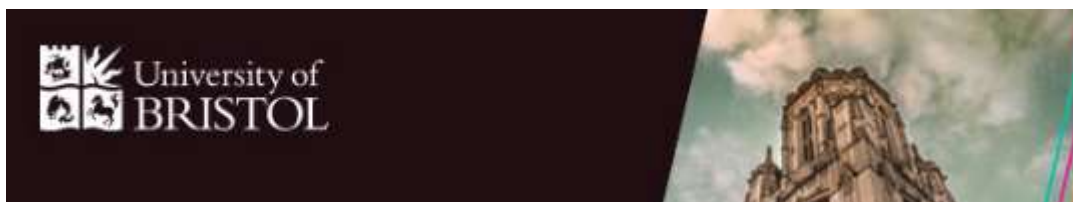

Students applying for this programme must be aged 16-17. There are no subject-specific criteria but you should be a passionate and enthusiastic learner. There are many great discounts including an early bird discount and group discount.

English Language Requirements

All teaching is conducted in English so students must be able to demonstrate a good level of English language and comprehension. We assess students' English ability through their application and correspondence.

Don't miss out on this opportunity - find out more and apply online

at <https://warwick.ac.uk/study/summer-with-warwick/pre-university-summer-school/>

Sheldon School is now on the University of Bristol's Aspiring schools list which means we are eligible for contextual (lower offers). You still need to check individual course requirements.

STEM Up - Applications are open

[STEM Up](#) is an online programme which provides the opportunity for Year 12 and mature students to experience what it's like to study a STEM subject (this includes subject areas such as Science, Engineering, Geographical Science and Mathematics) at university. Participants take part in academic taster sessions, speak to current students and receive advice on applying to university.

The programme will take place online with sessions weekly from 5.00 - 6.30pm on the following dates: **Monday 26th February, Monday 4th, 11th and 18th March, 2024**, with a planned visit to the University.

Students can apply [here](#). Applications will close on **Sunday 7th January**.

Free Year 12 University of Bristol Residential Summer Schools in 2024

Our [Insight into Bristol](#) and [Sutton Trust Summer Schools](#) are free residential experiences for Year 12 students. They both offer the opportunity to experience student life in the vibrant city of Bristol. Participants will stay in university accommodation and take part in academic seminars and social activities, supported by current undergraduate students. They will meet student societies and learn more about what university life is really like. The summer schools for 2024 will likely take place in July 2024.

Participants who complete the summer school will be eligible for a guaranteed contextual offer or interview from the University of Bristol. Contextual offers are set two grades below the standard offer level, meaning this programme is a great opportunity for students to access a highly selective Russell Group university.

Applications for both summer school open in January 2024. Students can now **register their interest** in Insight into Bristol (click [here](#)), which is exclusive for students who identify as Asian, Black or Mixed (featuring one or more of these groups) and the Sutton Trust Summer School (click [here](#)).

Did you hear about University of Hull Chancellor's Scholarship?

The Chancellor's Scholarship will reward 10 high-achieving students who have a great potential for academic excellence.

It will cover the full cost of their undergraduate tuition fees and will be awarded to 10 new University of Hull students per year, starting with 2024/25 entry and will run for three years.

Key Dates:

* Applications are now open, and the application deadline is 31st January 2024.

* Scholarship winners will be announced by the end of March 2024.

Key Criteria:

* Applicants must be UK resident and qualify for Home fee status.

* All undergraduate degree courses commencing Autumn 2024 are eligible with the exceptions of Foundation courses and Medicine.

* Applicants will need to submit a written application (max 500 words) and a video (max 2 minutes) explaining why they should be considered.

* A predicted grade of at least 128 UCAS points.

* Applications will be assessed on multiple criteria rather than just grades alone. This includes a student's passion for their chosen subject, their overall communication skills and their plans to contribute to university life.

Further information is available on our website at www.hull.ac.uk/chancellors-scholarship.

A direct link to the application form is available at [Chancellors Scholarship](#).
