BE KIND | BE BRAVE | BE THE BEST YOU

We are now going to create a self-quiz based on our brain dump.

To do this, we need to turn the information into question and answers.

A good quiz question contains one bit of key information.

E.g:

Q: Who was on the throne when Macbeth was written?

A: King James I

Use **one colour** to write the **question** out and a **second colour** to write the **answer**.
