

3rd May 2024

Dear Parent(s) and Carer(s),

OFSTED Inspection Report at Sheldon School

Following the visit of Ofsted on 12th and 13th March 2024, I am delighted to be able to share with you the report that has now been written and accompanies this letter.

We are very pleased to say that, as usual, our students and staff were a credit to our school and community. The school has been graded 'Good' in every area, and this is a reflection of the hard work and commitment of all our staff members since the last inspection.

I would like to thank you as parent/ carers for your support since my arrival in September; it is this partnership that is key to continual improvement. The report highlights that the school is on a journey and the leadership team, governors and staff will continue to work tirelessly for the young people here to ensure that they get the best education possible.

Finally, please thank your child for their behaviour and attitude during the inspection, which is positively commented upon in the report.

Ofsted reports provide a snapshot in time and I know that there is still work to be done here at Sheldon, but I am very much looking forward to doing it.

Your faithfully,

Pete Lynch
Headteacher
