

29/9/23

Dear Parents,

In order to better support our students in Year 10, it is possible for you to order all study guides centrally through the school. If you would like to purchase any study guides for your child, please do so through ParentPay by **8am Monday 9<sup>th</sup> October**. The orders will be collated and your child will be able to collect their study guides from Monday 16<sup>th</sup> October. **There is no need to return any paper form.**

If your child is eligible for free school meals, we will provide the study guides free of charge and this will happen automatically.

The list of all available study guides can be found on the second page of this letter. **Please check with your child** before ordering to ensure that they receive the correct guide for their GCSE options.

We will offer another opportunity to purchase revision guides in term 2 should you wish to spread the cost.

Yours faithfully,

The Leadership Team
