

Dear Parents and Carers,

From September 2026, schools are required to follow updated government guidance on Relationships, Sex and Health Education (RSHE). As a result, we are reviewing our RSHE curriculum and policy to ensure that it continues to meet the needs of our pupils while reflecting the new statutory expectations.

We are keen to work in partnership with parents and carers as part of this review. The draft policy (click [here](#)), together with information about the curriculum we deliver (click [here](#)), is available for you to read. We would welcome your views before the policy is finalised.

Please share your feedback using the Microsoft Form below:

[RSHE parental consultation 2026 – Fill in form](#)

We would be grateful if responses could be submitted by Friday 18th September.

Thank you for taking the time to contribute to this consultation. Your feedback will help us ensure that our RSHE provision remains relevant, age-appropriate and responsive to the needs of our school community.

Yours faithfully,

Mrs Emily Bennett
Teacher of PSRE i/c PSHEE
