

Sixth Form Weekly Notes – Mon 14th Oct 2024

Week 1 – Yr13 PE; Yr12 assembly

Key messages (inc. community, wellbeing etc):

Sixth Form Open Evening - Thank you to those who have emailed me about helping out already. Can we meet briefly at break time Tuesday to go over the evening? VI7, thanks

Well done Harriet, Rhys and Rufus for the Hello Yellow Quiz – we raised about £160 for Young Minds!

Yr13 – Weds 16th Oct – end of lesson 4 / start of lunch – There will be a box for each tutor group in the Study Room and we need you to put your ID cards in the relevant box.

You can keep the lanyard around your necks. Your card will then be reprogrammed whilst you do PE.

This will enable us to start using the timed mag lock on the Sixth Form building next week or after half term.

Return to the study room after PE to see if they are ready.

On Friday 18th October there will be a compulsory training session in the Hall during lesson 3 and 4. Dr Butler will be explaining what you will do, and will run through some mentoring do's and don'ts and you will have a chance to practice mentoring sessions with one another in role play situations to build up your confidence. Some of you may have other lessons, like Core maths, or EPQ etc on Friday. If you are one of those students, please can you give your apologies to your normal teachers and attend this session.

Thanks to all those who helped with the cross-country runs last week

Work experience, employment and apprenticeship opportunities / information:

Katie Witchell– our Careers Adviser is available to you all. You can email her directly at kwitchell@sheldonschool.co.uk to make an appointment or you can drop-in to the Careers Hub near the hall on Thursday or Friday lunch times.

What is LMI? Why is it important and where can find it?

LMI is Labour Market Information. It is useful and important because it tells you what jobs are available, which are on the increase/decrease, what the pay is like etc. You can find LMI in the Careers Newsletter that comes out every week or so. You can also find it on every careers page in the Careers Library on Unifrog.
